1	3	NRHM_ENC_72_646	SUJEET KUMAR KARJEE	From the submitted B Sc. Marksheet and certificate, no where it is found that Zoology as one of the subject at Graduation level. Hence, the application is liable for rejection as per the terms and conditions of the advertisement.	With reference to the rejection of my application form for the post of Entomologist (Tech.) vide advt no. 10/23, on the ground that in BSc mark sheet and certificate, no where it is found the Zoology as one of the subject at graduation level as I have submitted the Final Degree(BSc) Marksheet during the submission of application. But the year wise marksheet of Graduation (BSc) course includes the Zoology as a mandatory pass subject for the Botany Hons student opting for CBZ stream in graduation level. Therefore, in the light of the above, I earnestly request you to kindly review my application once again as I mentioned above and consider my application for the concerned post.	The application form has been verified again and found eligible as per the application.
2	5	NRHM_ENC_72_748	IPSITA MOHAPATRA	From the submitted B Sc. Marksheet and certificate, no where it is found that Zoology as one of the subject at Graduation level and also does not have requisite 05 years of post qualification experience in relevant field. Hence, the application is liable for rejection as per the terms and conditions of the advertisement.	As per objection the following facts may be taken into kindly consideration. (1) From the submitted BSc marksheet, in Semester-1, biology was a subject. Though Zoology is a part of biology, so it may kindly be considered. (2) I have posted as BPM since 24.12.2016 at block level under NHM. As per job role of BPM, I am overseeing all NVBDCP activities including field visits and awareness monitoring of the programme in the NVBDECP field. I have 6 years + experience at health sector. Hence, my application may kindly considered.	The application form has been verified again. 1. As per the advertisement, "Zoology should one of the subject at Degree level" but the same could not be established from the submitted documents by the candidate. 2. As per the advertisement, "the candidate must have 5 years of post-qualification experience in the field of Vector Borne Disease Control Programme & Health Programme monitoring". 3. The experience as Block Programme Manager can't be considered as experience in the field of Vector Borne Disease Control Programme & Health Programme monitoring. Hence, the application is rejected as per the terms and conditions of the advertisement.
3	8	NRHM_ENC_72_709	BHAGYALA XM I BISWAL	The candidate does not have requisite 05 years of post qualification experience in relevant field. Hence, the application is liable for rejection as per the terms and conditions of the advertisement	I have 13 years of working experience from Regional Medical Research Center (ICMR-RMRC) and from SCB Medical College & Hospital. During my work period I was a part of different Health programme monitoring schemes. Like oral cholera, vaccination programme at satyabadi & also been to Rayagada to work & cordinate with Anganwadi to Rayagada Hospital. -> I have experience of working with all sector population of Health sectors -> Training programme & workshop -> I have Covid-19 experience of more than 3 years as Research scientist at SCB MCH So sir I can satisfactorilly fullfill your work demand so kindly consider my application.	The application form has been verified again. 1. As per the advertisement, "the candidate must have 5 years of post-qualification experience in the field of Vector Borne Disease Control Programme & Health Programme monitoring". 2. The experience as Field Investigator at RMRC, Senior Research Fellow at ICMR, Reaserach Scientist at SCB & local project staff at International Vaccine Institute can't be considered as experience in the field of Vector Borne Disease Control Programme & Health Programme monitoring. Hence, the application is rejected as per the terms and conditions of the advertisement.

4	9	NRHM_ENC_72_717	NITIKA PRADHAN	The percentage of marks could not be ascertained from the submitted marksheet of MSC. Biotechnology and also does not have requisite 05 years of post qualification experience in relevant field. From the submitted B Sc. Marksheet and certificate, No where it is found that Zoology as one of the subject at Graduation level. Hence, the application is liable for rejection as per the terms and conditions of the advertisement	<p>1. I have scored CGPA of 7.92 in Msc. Biotechnology. But during filling the online form, it was not taking the CGPA. Hence, my percentage of mark is 75.24% (CGPA X 9.5=%)</p> <p>2. In the online application form, I have submitted my total experience it was 5 years 4 months. Also I have completed my PHD in Entomology. Hence, I have also more than 5 years experience in entomology field. (submitted by PhD certificate)</p> <p>3. In BSc. marksheet we have life science as major elective paper. Life science subject includes both Botany and Zoology. Hence, Zoology is one of the major subjects at Graduation level.</p>	<p>The application form has been verified again.</p> <p>1. As per the advertisement, "Zoology should be one of the subjects at Degree level" but the same could not be established from the submitted documents by the candidate.</p> <p>2. As per the General Information and instructions of the advertisement at point no. viii, "in case the marks are obtained in the form of GPA, CGPA, OGPA etc., the candidate was required to submit conversion certificate with the application form", but it is found that the candidate has not submitted CGPA conversion certificate with the application form.</p> <p>3. As per the advertisement, "the candidate must have 5 years of post-qualification experience in the field of Vector Borne Disease Control Programme &amp; Health Programme monitoring".</p> <p>4. The experience as JRF at IMGENEX India and as Project Fellow at NISER can't be considered as experience in the field of Vector Borne Disease Control Programme &amp; Health Programme monitoring.</p> <p>5. The experience at RMRC is relevant and only is 2 years and 2 months which is less than 5 years of post-qualification experience. Hence, the application is rejected as per the terms and conditions of the advertisement.</p>
5	10	NRHM_ENC_72_775	SWAYAMPRA VA SAHOO	The candidate does not have requisite 05 years of post-qualification experience. Hence, the application is liable for rejection as per the terms and conditions of the advertisement.	On application, I had mentioned the current experience as VBDTS, Balasore for the period of 10.03.2017 to 21.06.2023. I had applied for NOC and experience certificate to the appointing authority. Now I have got the experience-cum-no objection certificate, the same is enclosed for kind consideration.	The application form has been verified again and found eligible as per the application.
6	13	NRHM_ENC_72_685	DEBANANDA SAMAL	The candidate does not have requisite educational qualification. Hence, the application is liable for rejection as per the terms and conditions of the advertisement	<p>My candidature has been rejected mentioning that the candidate does not have requisite educational qualification. As per the terms &amp; condition of the advertisement post-graduate degree in any other branch of Bio-Science is eligible for the post. I have completed (M-Pharm) in Pharmacology which is not synonymous with pharmacy and the two terms are frequently confused. Pharmacology, a biomedical science, deals with the research, discovery, and characterization of chemicals which show biological effects and the elucidation of cellular and organismal function in relation to these chemicals. The Wikipedia reference sheet is attached for your kind perusal &amp; necessary consideration.</p> <p>wikipedia Link:-  <a href="https://en.wikipedia.org/wiki/Pharmacology#:~:text=Pharmacology%2C%20a%20biomedical%20science%2C%20deals,in%20relation%20to%20these%20chemicals">https://en.wikipedia.org/wiki/Pharmacology#:~:text=Pharmacology%2C%20a%20biomedical%20science%2C%20deals,in%20relation%20to%20these%20chemicals</a>.</p> <p>Hence my candidature may not be rejected.</p>	<p>The application form has been verified again.</p> <p>1. As per the advertisement, the required qualification for the said post is "the candidate must have passed M.Sc. in Public Health Entomology or Post Graduate Degree in Zoology or any other branch of Bio Science or Life Science from a recognized University / Institution with minimum 55% marks"</p> <p>2. It is found that the candidate has passed M.Pharm which is not a requisite educational qualification.</p> <p>3. As per the advertisement "the candidate must have 5 years of post-qualification experience in the field of Vector Borne Disease Control Programme &amp; Health Programme monitoring". The experience as Logistic Manager, (Logistic, Promis &amp; Immunisation) can't be considered as experience in relevant field. Hence, the application is rejected as per the terms and conditions of the advertisement.</p>
